UP Arts is proud to announce the release of the University of Pretoria Camerata□s new CD, □A Reign of Rest□.

The beautiful choral CD with Johann van der Sandt conducting the Camerata will make the ideal Christmas stocking filler!

“A Reign of Rest” contains choral music which will transcend the listener from the mundane to the serene. The repertoire on the CD contains a bouquet of diverse works including sacred compositions such as *Psalm 120* by Otto Olsson, *Dona Nobis Pacem* by Peteris Vasks and *Singet Dem Herrn Ein Neues Lied* by Hugo Distler.

The CD also features more contemporary *a capella* choral works such as *Her Sacred Spirit Soars* by Eric Whitacre, *Were You There*? by Mia Makaroff, *Bohemian Rhapsody* by Queen, *Amor De Mi Alma* by Z. Randall Stroope and Dobbin’s *Flowery Vale,* a traditional Irish air & reel arranged by Matti Kallio.

“A Reign of Rest” is available from the UP Centenary shop at the price of R130. For more information contact Himne or Charlotte at 012 420 2484 or email them at centenaryshop@up.ac.za.
