### TuksGolf Training Centre officially opened at the University of Pretoria - 17/05/2013

The University of Pretoria prides itself on its publicly recognised achievements pertaining to its various sporting fraternities. These achievements can be attributed to the University's sporting facilities, which are of the highest quality among South African universities. To add to its quality achievements, the University of Pretoria, through TuksSport and the High Performance Centre (hpc), has now officially opened a golf training centre.

### South African law professor to report to the United Nations on Lethal Robots - 16/05/2013

South African human rights law professor, Christof Heyns, will submit a widely anticipated report on Lethal Autonomous Robots (LARs) to the United Nations (UN) Human Rights Council on 29 May 2013. Prof Heyns, from the University of Pretoria (UP), was appointed as UN Special Rapporteur on extra-judicial, summary or arbitrary executions in 2010. During last year, he conducted worldwide research on the question whether states should be allowed to use LARs - weapons that, once deployed, can use lethal force without further human intervention - during war, or peace.
