

Need to fund your research?

University of Pretoria

subscribes to

Providing you with research funding opportunities and research news for and about Africa

Register online for free and:

- Set up funding searches in your subject area, research discipline or interest
- Receive e-mail alerts to your inbox
- Create calendar alerts and export these to your e-mail client calendar
- Look up what particular funders are calling for
- Read the latest news on research, policy and development initiatives
- Create e-mail magazines of news for your department or research group
- Access the data 24/7 from wherever you are
- Forward or annotate research opportunities relevant to your colleagues
- Bookmark items for later reference

On campus?

Go to www.research-africa.net and click self registration

Not on campus?
